

The background of the slide is a photograph showing the rear view of a silver car. The car is parked in a row, and the focus is on its rear lights and bumper. The car is positioned on the left side of the frame, with a blue diagonal overlay on the right side.

How Organised Vehicle Crime Operates in the UK

Mark Rose, Managing Director
27th November 2024

TRACKER IS KNOWN FOR STOLEN VEHICLE RECOVERY

VHF Technology

- Unique proprietary technology.
- Unjammable with GPS/GSM jammers.
- Signal is visible even when hidden in metal containers or underground car parks.

Police - Formal Agreement

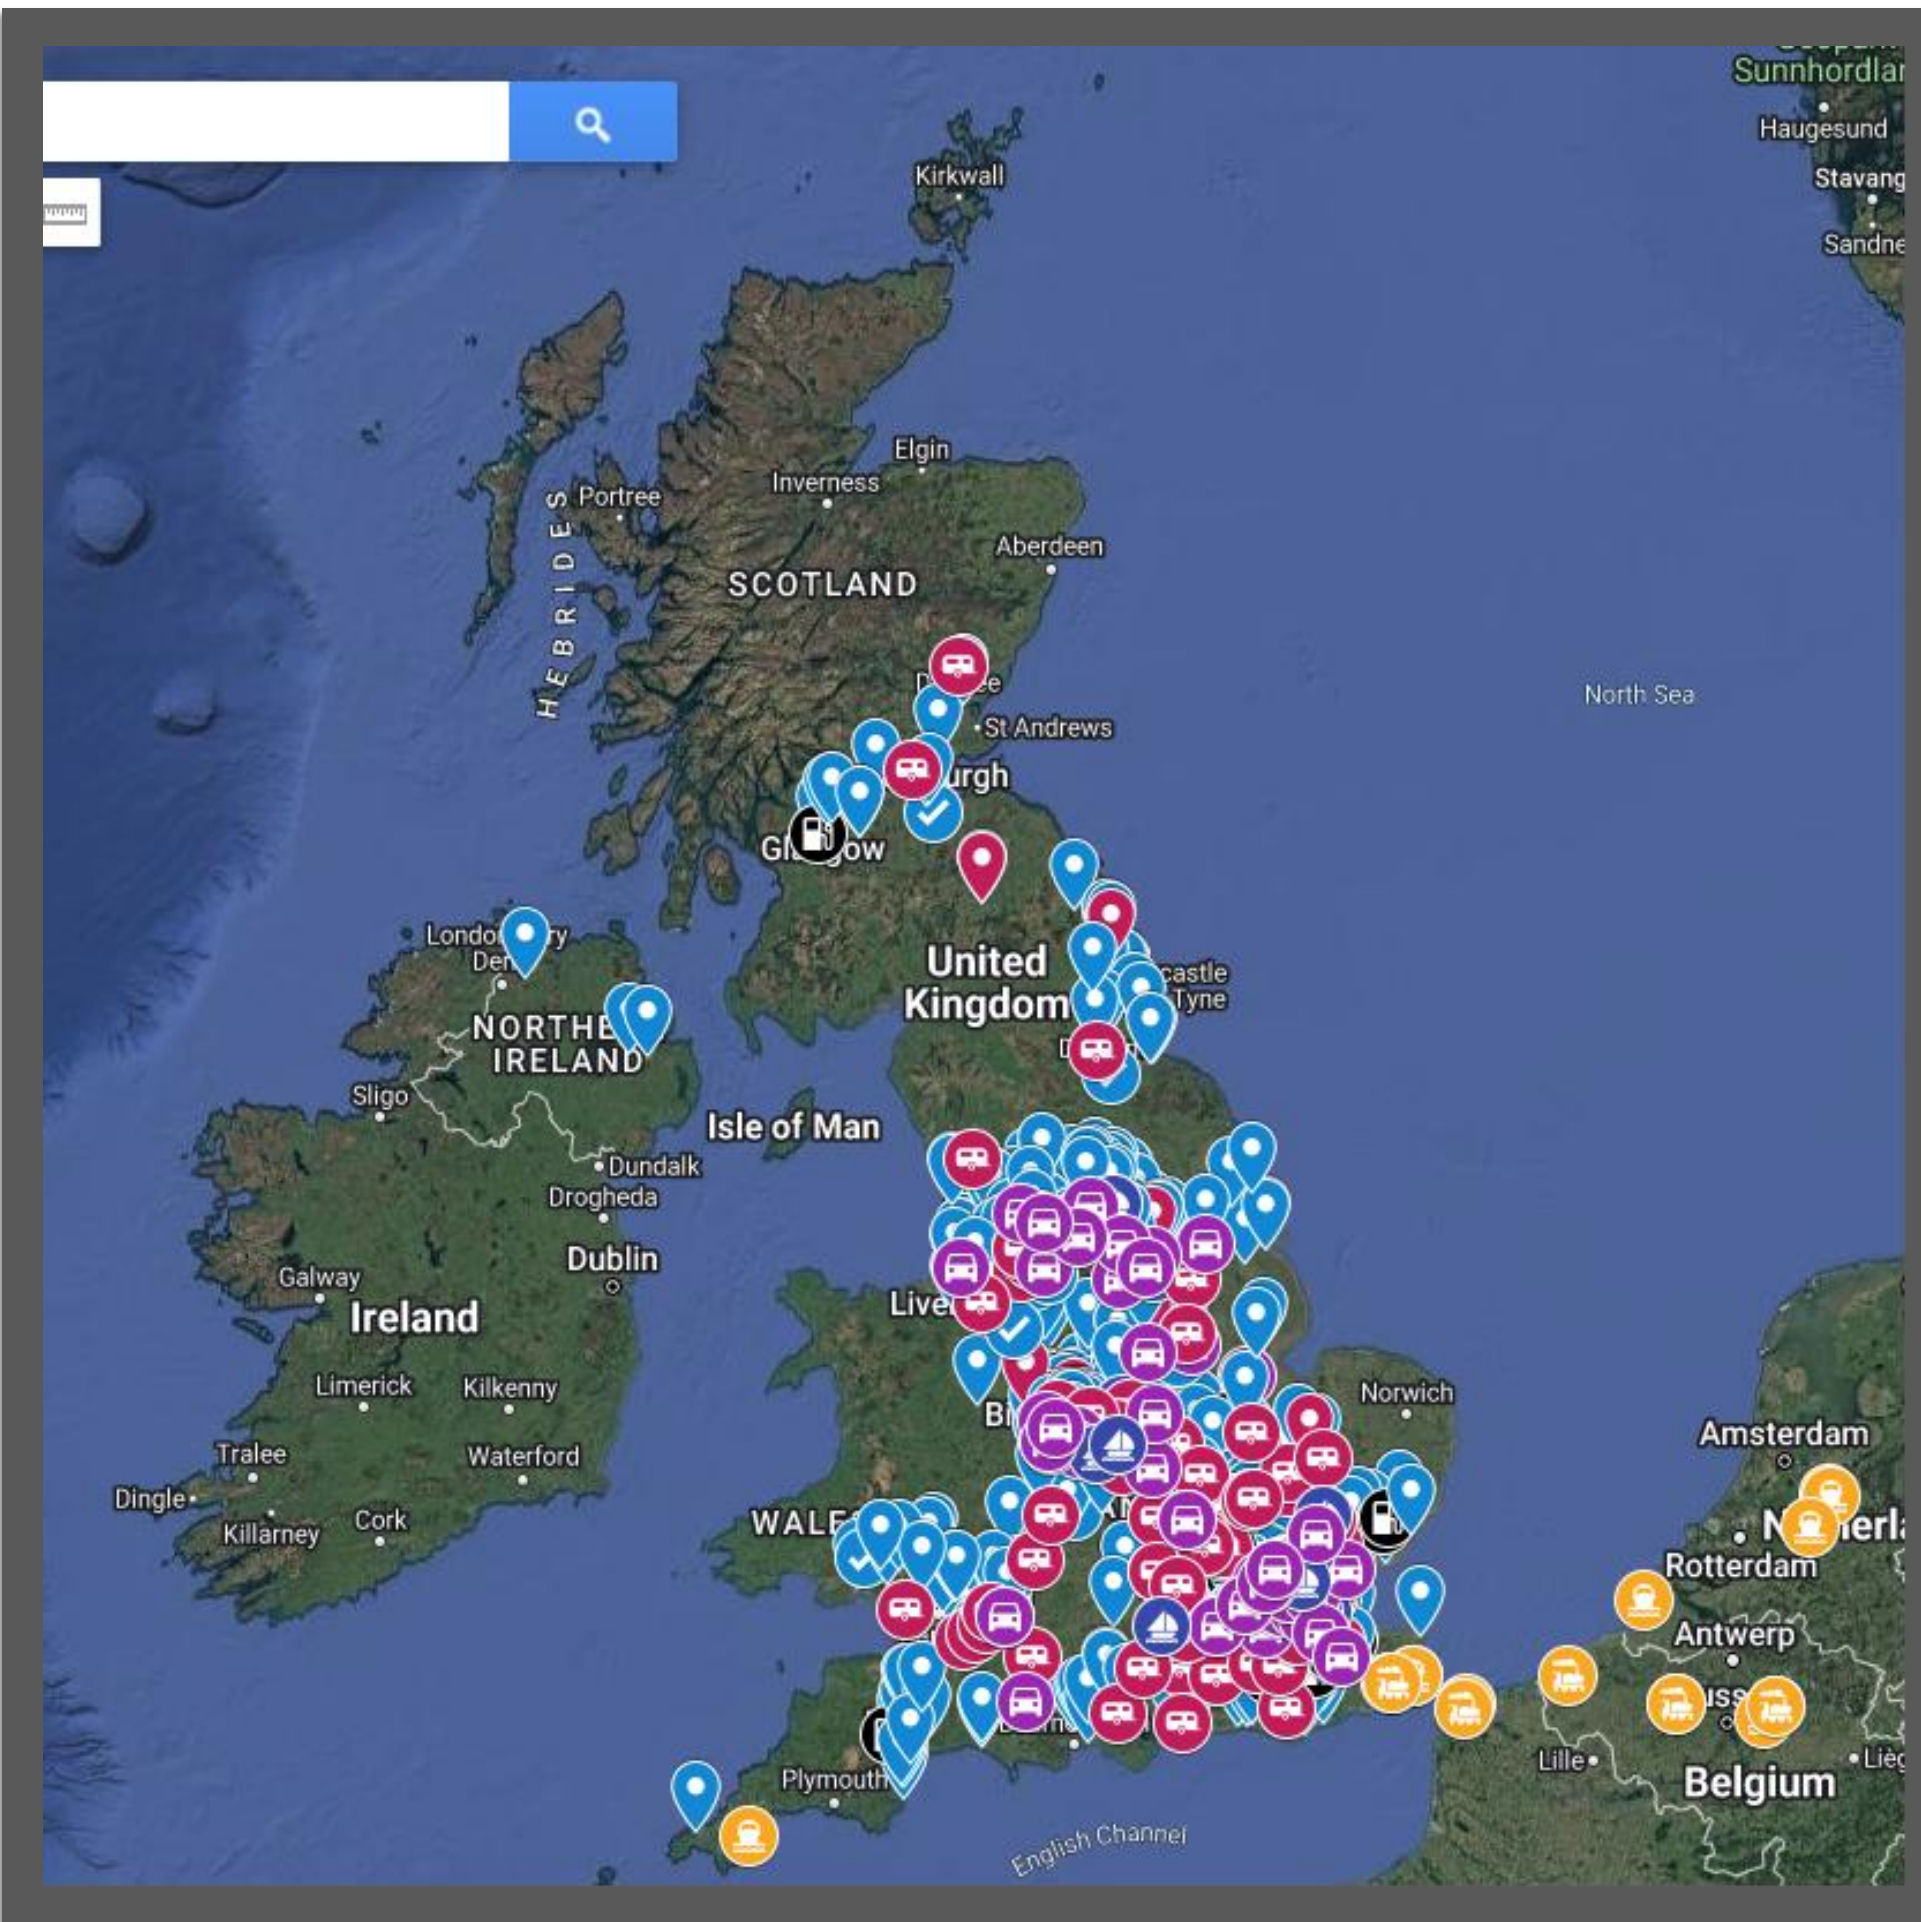

- Formal collaboration with all UK police forces.
- Over 2000 police cars & entire fleet of police helicopters equipped with VHF tracking equipment.
- 95% Recovery Rate with 80% within 24 hours and 50% recovered within 4 hours.

Tracker & The Police:
Intelligence sharing

**Rainham -
Container Export Site**

**Grays Essex –
Container Site**

TRACKER: THE CHOP SHOP PHENOMENON

Tracker is working in collaboration with the police to close down 'Chop Shops'

Through our unique relationship with UK Policing, Tracker has helped the police shut down an increasing number of chop shops each year:

161

Jan - Oct 2024
Other non-Tracker
fitted stolen vehicles
recovered

164 in 2023

127

Jan - Oct 2024
Suspected criminals
arrested

80 in 2023

The Strength of Our Partnerships

- Together we can become **DISRUPTORS** of serious and organised vehicle crime.
- **Limiting opportunities** for criminal organisations **to benefit** from vehicle theft.
- **Low risk / High Reward, goes to**
- **High Risk / Low Reward.**

Thank you.
